Pro Tips:

- Dancers love getting flowers and having their picture taken before/after the performance!
- “Break a leg” is *not* what we say to a dancer before a dance performance! No dancer wants to break a leg!! The real expression said to dancers (world-wide) for good luck is “merde!” - pronounced [maird]. It’s French, and you can look it up if you want, but you will probably be more confused when you see its meaning! *You don’t need to tell your dancer what it means. Sometimes it’s better that way!*
- **Tell your dancer you are proud of them.** No matter what happens, make them feel special. It’s not easy to do what they just did and you should be proud of them!
- You will see MANY dancers and families out for ice cream after the performance! You might want to add that to your schedule too!
