Our Spring Showcase

Our Spring Showcase will be held in May at a local high school auditorium. Our showcase is performed on stage, with costumes and stage lights making the performance exciting for the dancers and enjoyable for the audience.

We are anticipating an increase in costume prices this year due to the rise in prices nationally. We will not know costume prices until late summer - we apologize for not being able to tell you a price earlier. In an effort to ease the burden of paying for costume deposits before the holidays and paying the entire balance right after the holidays, costume payments will be divided into THREE (3) equal installments due at the same time as tuition for 1st, 2nd and 3rd quarter.

- Your account will be automatically charged for costume payments when tuition is posted. There is no penalty for paying the costume balance early.
- ALL costumes for our PreDance level classes will cost: TBD once prices have become available to dance studios.
- ALL costumes for our Primary level classes will cost: TBD once prices have become available to dance studios.
- ALL costumes for our Premier Prep level classes will cost: TBD once prices have become available to dance studios.
- ALL costumes Premier level classes will cost: cost: TBD once prices have become available to dance studios.

Costume installments are non-refundable. In addition to costumes, each family will be charged a Performance Fee of \$50.00. The performance fee covers expenses including (but not limited to) the facility rental, paying our staff as well as the staff at the PAC. This fee will ensure that we have a successful showcase, as well as allow us to sell our tickets at a lower price so you feel comfortable inviting friends, neighbors and family members to attend.
