

Premier Dance Academy, LLC - Season 27
Classes begin the week of September 9, 2024

What's New at Premier?

- **A small change:** We have always called our dance program a “school year”. We’ve noticed that many dance studios no longer use that term, and since we aren’t a *school*, but rather a *studio*, we’re going to jump on that trend too. This fall will be Premier’s 27th year in business, so welcome to “**Season 27**”!
- **Spring Showcase:** While we’re at it, the term “recital” seems outdated. Season 27 will feature a Spring Showcase in May. Goodbye, Recital, hello **Spring Showcase!**
- **Early Registration!** Our registration for Season 27 is OPEN via the Parent Portal! That’s *much* earlier than other dance studios, and about six weeks earlier than Premier usually opens registration! Why are we opening registration so early? We want you to be able to carve out time in your busy schedule for your child’s dance classes, and we’re hoping the earlier you know our dance schedule, the easier it will be to make dance classes a priority. We have taken the liberty to highlight dance classes in the Parent Portal that are of the appropriate age and level for your dancer. We hope you’ll take a few minutes to check out the classes that are available for your dancer, ask us any questions and then register before your fall schedule becomes too crazy.
- **Quarterly 1/2-day Workshops** for our Premier Prep and Premier level dancers! One of the best things dancers can experience as they advance is attending workshops. A dance workshop offers dancers the opportunity to take classes from different teachers, improve their ability to learn quickly and enjoy a fast-paced day of dance classes. Although Company dancers will be given the opportunity to attend workshops outside of the Premier, our 1/2-day workshops will be available to all Premier Prep and Premier level dancers. Dancers are also encouraged to invite friends who dance elsewhere. *See last page of this document for a detailed schedule. The dates for our workshops are as follows:*
